

IT'S "SAFER AT HOME"

To further combat the spread of COVID-19 in Bradford County, Sheriff Gordon Smith is recommending residents shelter at home and limit movements outside of home area beyond essential needs with regard to Florida Governor's Executive Order 20-91

WHAT YOU CAN DO:

- ★ Go to the grocery, convenience or warehouse store
- ★ Go to the pharmacy for medications and other healthcare necessities
- ★ Go to medical appointments
- ★ Go to a restaurant for take-out, delivery or drive-thru
- ★ Go outside for exercise but maintain 6 feet of distance between yourself and others
- ★ Participate in recreational activities (staying consistent with social distancing guidelines) such as walking, biking, hiking, fishing, hunting, running, swimming and taking care of pets
- ★ Receive deliveries from any business which delivers
- ★ Care for otherwise unable loved ones or friends
- ★ Attend religious services (staying consistent with social distancing guidelines or virtual and/or drive-in sessions)

WHAT YOU SHOULD NOT DO:

- ★ Go to work unless you are providing essential services as defined in Governor's Executive Order 20-91
- ★ Visit family or friends if there is no urgent need
- ★ Maintain less than 6 feet distance from others when you are out
- ★ Do not gather in groups of more than 10 anywhere

For further details on essential and non-essential activities refer to Florida Governor's Executive Order 20-91 at www.flgov.com (Info Center" tab) or call your Bradford County Emergency Operations Center hotline at 904-386-3943.
